

Tournament structure and rules

TOURNAMENT FORMAT

The tournament will consist of two stages, the group stage, and the knockout stage.

1. GROUP STAGE

In the group stage, every team will be assigned to a group of either 4 or 5 teams (this number may vary depending on the total number of teams that register). Every team will compete against every other team within their respective groups, and the 2 top teams of each group will advance to the knockout stage.

The group stages will be played **from the 17th to the 21st of April after school** (17:00 - 18:30).

2. KNOCKOUT STAGE - "Win or Go Home" style

The knockout stage is the second phase of the tournament. Here, teams will face each other in a format known as "playoffs" or "single-elimination". The knockout stage will take place **in May**. The specific date will be communicated at a later time.

Registration deadline

Registrations closing on the **10th of April**.

Prizes

Instead of offering direct monetary rewards, the prizes will take the form of sports-related items, such as gift cards for sports shops. The top three teams will be awarded these prizes.

Entry price

Each player participating in the tournament will have to pay a 3€ entry price.
